Chell Brown lit a candle in honor of Julius.

Fly high Daddy Julius On behalf of your grand daughter, she has gotten to know you for five wonderful years. She grew very close to you and enjoyed spending time with you on the porch; singing, dancing, and laughing with you, I will always keep your memory alive for her by reminding her of the time spent with you and telling her the story of how excited and happy you were when you found out that I was pregnant with her. I will let her know that you wanted her name to be Julia, close to Julius, but you were very pleased and satisfied with her name being Jaaliyah J. Brown. She has your initials, JJB. We love you sooooo much and will truly miss you. Love Chell and Liyah Bug

Oh my buddy I remember coming to your house and you use to have me laughing the entire I was there. I am going to miss you dearly. You could never pronounce my name correctly so you use to call me she-she or baby girl

My heart is truly hurting and heavy at this time. The last pillar of our family has gone to be with his mom, dad, and his sister. Uncle Julius, I am so glad I got to hear you tell me "I love you to baby." before you took your wings and went home to heaven. I will always remember the times you always made me laugh. So, Uncle Julius, you go ahead and take your rest where you won't have any more hurt and pain. Your niece Gladys Wynn
