To the Luke Family: My condolences for the lost of your dear love one. I know that these must be very painful times for your family. But our loving God, Jehovah, knows how you feel and the pain that death brings. He has promised that death will be no more. (Revelation 21:4) Jesus said in the Bible Book of John 5:28 and 29 say not to be amazed because the hour is coming in which all in the grave will hear his voice and come out. That means that we can have the comfort in seeing our love ones again.
