My Darling Mother...I knew her before I knew myself. Her touch, her smile and her love and her kindness gave me comfort & safety without me ever realizing how important that bonding development was. I am the woman I am today because of Mom/Granny.

I would like to you remember this story from the Bible because it will make you strong and it will give you more faith. " Elijah was a man with feelings like ours, and yet when he prayed earnestly for it not to rain, it did not rain on the land for three years and six months. Then he prayed again, and the heaven gave rain and the land produced." According to his by earnestly praying specifically his prayer was answer God promises he will listen to your prayer too no matter what you tell him.
