Trudy was one of the first people I worked with when I came to Saint Margaret's many years ago. Her words of advice and her gentle demeanor was one of her trademarks. She shared her wisdom and smiles freely. I will never forget her words when I left the hospital for greener pastures..she said "go get them Susie, this is YOUR world...enjoy!" Rest in peace Trudy. You were loved by MANY!

I am lost for words. Growing up and even when I became grown you always called me your baby, and you are My Granny Gert. Your love never changed, your hugs always tight and your kisses always warm. Those are the things I miss the most. Take your rest now in the arms of the Lord. You will be truly missed. Love you.
